Open-ended Candidate Answers

District 27 State Delegate Candidates

Mark N. Fisher (R)

Q1: Aid to nonpublic schools: I believe that money for K -12 education should follow the child to public, independent, parochial or charter school of their choice.

Q2: Public dollars: I believe that tax dollars should follow the student, not the school. Monopolies are not good. It's time to break-up the public educational monopoly in Maryland. It's time for Educational Freedom!

Q3: Educational scholarships: Absolutely!

Q4: BOOST: I would like to see the BOOST Scholarship Program expanded to include as many students as practicable.

Q5: Capital dollars: Every public, charter, independent & parochial school in Maryland should have at least one School Resource Officer. The additional security measures should be paid by using state tax dollars.

Gubernatorial Candidates

Dan Cox (R)

Q1: Nonpublic school aid: I support the dollars following the children by parental choice.

Q4: BOOST: And I would expand this program.
